

Change of nominated bank account

Before you start

To change your nominated bank account, we will need to receive this request at least 10 days before any repayments are due.

We will also require a copy of a bank statement dated within the last 3 months. This must show the account holder's name, the account number and sort code. Please note that we do not accept screen shots of internet statements.

If you are unable to provide this, we will also accept a paying-in slip or voided cheque from the nominated account.

Upon receipt we will contact you to confirm the request.

If you have any questions, our Customer Services team will be happy to assist you.
