It illustrates what the interest rate would be if interest were paid and added each year. Please note, interest is not compounded. Gross PA means Gross Per Annum, i.e. before tax is deducted (at the legal rate).</p>																			
Can Close Brothers Savings change the interest rate?	No. Your rate is fixed, so it will stay the same for the entire term of your savings account. It means you'll always know exactly how much interest you'll earn annually.
